PARAMOUNT SPINNING MILLS LIMITED

CHAIRMAN REVIEW

It is my privilege to be serving as a chairman of Board of Directors of M/S Paramount Spinning Mills Limited (the "Company"). I would like to thank our esteemed shareholders for entrusting me for guiding directions of the company.

The Company is very hopeful that with restructuring and settlement of amounts, the pending issues with financial institutions will be resolved, the financial health of the Company will be improved which will enable the Company to focus on new profitable avenues. The Scheme of Arrangement under section 279 of the Companies Act 2017 has been duly sanctioned by the Honorable Sindh High Court at Karachi. The liability of the Company will be settled in terms of the Scheme of Arrangement. All pending litigations with banks will be withdrawn as per the Scheme of Arrangement.

ACKNOWLEDGEMENTS

The performance of our Board and the services render by the management and staff of the Company is appreciated.

Muhammad Akhtar Mirza

چیئرمین کا جائزہ

M/S Paramount Spinning Mills Limited ("کمپنی") کے بورڈ آف ڈائریکٹرز کے چیئرمین کے طور پر خدمات انجام دینا میرے لیے اعزاز کی بات ہے۔ میں اپنے معزز شیئر ہولڈرز کا شکریہ ادا کرنا چاہوں گا کہ انہوں نے مجھے کمپنی کی رہنمائی کی ذمہ داری سونپی۔ کمپنی کو بہت امید ہے کہ تنظیم نو اور رقوم کی تصفیہ کے ساتھ، مالیاتی اداروں کے ساتھ زیر التواء مسائل حل ہو جائیں گے، کمپنی کی مالی صحت بہتر ہو جائے گی جس سے کمپنی نئی منافع بخش راہوں پر توجہ مرکوز کر سکے گی۔ کمپنیز ایکٹ 2017 کے سیکشن 279 کے تحت ترتیب دینے کی اسکیم کو معزز سندھ ہائی کورٹ کراچی نے باضابطہ منظوری دی ہے۔ کمپنی کی ذمہ داری سکیم آف ارینجمنٹ کے لحاظ سے طے کی جائے گی۔ بینکوں کے ساتھ زیر التواء تمام قانونی چارہ جوئی کو سکیم آف ارینجمنٹ کے مطابق واپس لے لیا جائے گا۔

اعترافات

ہمارے بورڈ کی کارکردگی اور کمپنی کی انتظامیہ اور عملہ کی طرف سے فراہم کی جانے والی خدمات کو سراہا جاتا ہے۔

Director's Report to Shareholders

The Directors of the Company are pleased to place their report together with the Auditor's Report and audited Financial Statements of the Company for the year ended June 30, 2022 at the Annual General Meeting of Company.

The previous auditors of the company (Retiring Auditor) appointed for the financial year ending June 30, 2020 failed to comply with its statutory duties by not signing the financial statements for the year ending June 30, 2020. Therefore, audit for the year ended 30 June 2020 was delayed due to the actions and inactions of the retiring auditor. Due to this reason subsequent audit are also delayed. Hopefully we will hold AGM for the year ended 30.06.2023 in due course of time.

Overview

The litigation with financial institutions forced the Company to initiate restructuring of its debt obligations. The process for restructuring was initiated by the company with the help of the key lending financial institutions. In this regard a Scheme of Arrangement under section 279 to 283 & 285 of the Companies Act 2017 (Scheme of Arrangement) has already been sanctioned by the Hon'ble Sindh High Court at Karachi (the "Court"). The restructuring agent i.e United Bank Limited has implemented the Scheme in letter and spirit as sanctioned by the Court. As per the Scheme of Arrangement all the litigation will be withdrawn by the creditors of the Company.

Independent Auditor's Review Report To the Members of "Paramount Spinning Mills Limited"

Review Report on the Statement of Compliance Contained in the Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Paramount Spinning Mills Limited for the year ended June 30, 2022 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

We draw attention to paragraph 16 of the statement of compliance, which states that the Company has appointed the female director as per CCG regulation-2019 after June 30, 2022. Our conclusion is not modified in respect of this matter.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2022.

INDEPENDENT AUDITOR'S REPORT

to the Members of Paramount Spinning Mills Limited
Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the annexed financial statements of Paramount Spinning Mills Limited (the Company), which comprise the statement of financial position as of June 30, 2022, and the statement of profit or loss, the statement of other comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of June 30, 2022, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards as applicable in Pakistan.

Basis for Qualified Opinion

1. Due to non availability of information we were unable to satisfy ourselves regarding the existence and valuation of property, plant, and equipment having carrying amounting to Rs. 5.922 million.
2. We could neither obtain any information regarding the cash in hand nor receive any confirmations from banks. Accordingly, we are unable to verify cash and bank balances aggregating to Rs. 4.958 million.
3. We were unable to satisfy ourselves regarding balances payable in respect of post-employment benefits payables, unclaimed dividend and trade and other payables amounting to Rs. 2.521 million, Rs. 1.119 million and Rs. 17.308 million, respectively.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Pakistan, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

We draw attention to notes 1.2 and 2.2 of the financial statements, which state that the Company along with its restructuring agent – United Bank Limited, and the majority of the lending financial institutions has signed a "Scheme of Arrangement" under sections 279 to 283 read with section 285 of the Companies Act, 2017 ("the Act") and the directors have determined that the going concern basis of preparation is no longer appropriate. Accordingly, the financial statements have been prepared on break-up value basis. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

Sr. No	Matter	How the matter was addressed in our audit
1.	Contingencies and commitments	
	Refer to note 15 to the financial statements; Various lawsuits filed by banks are being withdrawn after the conclusion of scheme of arrangement. Further, the Company is facing litigation pertaining to claims filed by Government authorities concerning outstanding amounts owed. Given the nature and amount involved in such cases and the appellate forums at which these are pending the outcome and resultant accounting in financial statements are subject to significant judgment, which can change over time as new fact emerged and each legal case progresses, and therefore, we have identified this as key matter.	Our audit procedures included the following: <ul style="list-style-type: none">• Read the terms of scheme of arrangement to ensure that all the conditions necessary for the withdrawal of these litigations have been met.• Discuss with the Company's legal counsel about current status of these cases and the cases withdrawn during the year.• Obtained confirmation from legal advisors regarding ongoing litigation with Government authorities.

Information Other than the Financial Statements and Auditor's Report thereon;

Management is responsible for the other information. The Other Information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the Other Information and, in doing so, consider whether the Other Information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of the Companies Act, 2017 (XIX of 2017) and such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so. The Board of directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion, except for the matters stated in Basis for Qualified Opinion above:

- proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;
- investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- no Zakat was deductible at source under the Zakat and Usher ordinance, 1980 (XVIII 1980).

The engagement partner on the audit resulting in this independent auditor's report is *Malik Haroon Ahmad, FCA*.

PARAMOUNT SPINNING MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022

Notes

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 Paramount Spinning Mills Limited ("the Company") was incorporated as a public limited company on August 22, 1981, and its shares are listed on Karachi and Lahore Stock Exchanges (now Pakistan Stock Exchange Limited). The registered office of the Company is situated at 2nd Floor, Finlay House, I.I. Chundrigar Road, Karachi, Pakistan. The manufacturing facilities of the Company were located at Kotri and Raiwind. The Company was principally engaged in progressive manufacturing and sales of cotton yarn, garments and yarn dyeing.

1.2 Scheme of arrangement with secured creditors

The Company along with its restructuring agent - United Bank Limited and majority of the lending financial institutions had signed a "Scheme of Arrangement" dated March 13, 2019 under sections 279 to 283 read with section 285 of the Companies Act, 2017 ("the Act"). The Scheme of Arrangement was sanctioned by the Hon'ble High Court of Sindh at Karachi vide order dated October 25, 2019, passed in J. C. M. Petition No. 5 of 2019. The Scheme of Arrangement, after its sanctioning by the Court became binding on the Company, along with all the shareholders, creditors, stakeholders and any other regulatory / statutory bodies of/ or with respects to the Company. Under the Scheme of Arrangement, the existing financial obligations / liabilities of the Company towards the secured creditors had to be settled by way of sale of moveable and immovable charged assets of the Company, distribution of the sale proceeds among the secured creditors and withdrawal of all pending litigations. Asset sale committee, pursuant to the terms of scheme of arrangement has sold all charged assets and proceeds thereof have been distributed among the secured creditors and lenders for the balances due to them. The pending litigations filed by and against the Company are now being withdrawn in accordance with terms of the scheme of arrangement.

1.3 Summary of significant transactions and events affecting the Company's financial position and performance

There are no significant transaction and event affecting the Company's financials position and performance during the year, other than those which are disclosed in notes to the financial statements.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS's) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017, provisions of and directives issued under the Companies Act, 2017. In case requirements differ, the provisions or directives of the Companies Act, 2017 shall prevail.

2.2 Basis of measurement

Due to the Scheme described in note 1.2 to these financial statements, the directors have determined that the going concern basis of preparation is no longer appropriate. Accordingly, the financial statements have been prepared on net realizable value basis, under the "Guideline on the basis of preparation of financial statements for companies that are not considered going concern" issued by Institute of Chartered Accountants of Pakistan (ICAP).

2.3 Adopting the net realizable value basis of preparation on measurement, classification of assets and liabilities, and disclosures in the financial report.

Under the net realizable value basis of preparation, assets and liabilities are measured at their net realizable value. Net realizable value is based on the proceeds receivable on disposal less costs to sell and the value of liabilities is their expected settlement amount. Any gains or losses resulting from measuring assets and liabilities to the net realizable value are recognized in profit or loss or otherwise under the auspices of approved accounting standards. Under the net realizable value basis of accounting, all assets and liabilities are classified as current. In adopting the net realizable value basis, the directors have continued to apply the disclosure requirements of approved accounting standards to the extent they are relevant to the net realizable value basis, and have modified them where this is considered appropriate.

2.4 Functional and presentation currency

These financial statements are presented in Pak Rupees, which is the Company's functional currency. All financial information presented in Pak Rupee has been rounded-off to the nearest Rupee except stated otherwise.

Notes

3 STANDARDS, AMENDMENTS AND IMPROVEMENTS APPLICABLE TO FINANCIAL STATEMENTS

New standards, amendments and improvements which are effective during the year and standards, amendments and improvements which are not yet effective

Certain standards, amendments and interpretations to IFRS are effective for accounting periods beginning on July 1, 2021 but, pursuant to paragraphs 2.2 and 2.3, above are considered not to be relevant or to have any significant effect on the company's operations and are, therefore, not detailed in these financial statements. The standards, amends and improvements which are not yet effective are also not considered relevant and accordingly are not detailed in these financial statements.

4 SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied over previous years before preparing financial statements on net realizable value basis are as follow:

4.1 Property, plant and equipment - owned

Items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses with the exception of freehold land which is measured at revalued amount less accumulated impairment losses, buildings, plant and machinery, power house, electric installation, factory equipment and air conditioner and which are measured at revalued amount less accumulated depreciation and accumulated impairment losses.

Capital work-in-progress is stated at cost less any identified impairment loss. Transfers are made to relevant fixed assets category as and when assets are available for use.

Cost of items of property, plant and equipment comprises purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, and includes other costs directly attributable to the acquisition or construction, erection and installation.

Major renewals and improvements to an item of property, plant and equipment are recognized in the carrying amount of the item if it is probable that the embodied future economic benefits will flow to the company and the cost of renewal or improvement can be measured reliably. The cost of day to day servicing of property, plant and equipment are recognized in profit and loss as incurred.

Surplus arising on revaluation of an item of property, plant and equipment is credited to surplus on revaluation of property, plant and equipment, except to the extent that it reverses deficit on revaluation of the same assets previously recognized in profit and loss, in which case the surplus is credited to profit and loss to the extent of deficit previously charged to income. Deficit on revaluation of an item of property, plant and equipment is charged to profit and loss to the extent that it exceeds the balance, if any held in surplus on revaluation of property, plant and equipment relating to previous revaluation of that item.

On subsequent sale or retirement of revalued item of property, plant and equipment, the attributable surplus net of deferred tax, if any, remaining in the surplus on revaluation of property, plant and equipment is transferred directly to unappropriated profit. An amount equal to incremental depreciation, being the difference between the depreciation based on revalued amounts and that based on original cost, net of deferred tax, if any, is transferred from surplus on revaluation of property, plant and equipment to unappropriated profit every year.

Depreciation on all items of property, plant and equipment except for freehold land is charged to profit and loss applying the reducing balance method over the useful life of each item at the rates specified in the respective note. Depreciation on additions is charged from the day on which the asset is available for use, while on disposals depreciation is charged up to the date of disposal or when the item is classified as held for disposal.

The useful life and depreciation method are reviewed periodically to ensure that the method and period of depreciation are consistent with expected pattern of economic benefits from items of property, plant and equipment.

An item of property, plant and equipment is de-recognized on disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and carrying amount of the assets) is recognized in profit and loss in the year in which the asset is derecognized.

4.2 Right of use asset

At the inception of a contract, the Company assesses whether a contract is, or contains, a lease based on whether the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions. The extension and termination options are incorporated in determination of lease term only when the Company is reasonably certain to exercise these options.

The lease liabilities are initially measured at the present value of the remaining lease payments at the commencement date, discounted using the interest rate implicit in the lease, or if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate. At initial recognition, liabilities were discounted using the Company's incremental borrowing rate. The lease liabilities are subsequently measured at amortized cost using the effective interest rate.

Right-of-use assets are initially measured based on the initial amount of the lease liabilities adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentive received. The right of-use assets are depreciated on reducing balance method over the lease term as this method most closely reflects the expected pattern of consumption of future economic benefits. The carrying amount of the right-of-use asset is reduced by impairment losses, if any. At transition, the Company recognised right to use assets equal to the present value of lease payments.

4.3 Assets classified as disposal group

Assets held for disposal are classified as disposal group if their carrying amounts will be recovered principally through a sale/ disposal rather than through continuing use. Such non-current assets are measured at the lower of their carrying amount and fair value less cost to sell. Property and equipment and intangibles assets once classified as held for sale / disposal are not depreciated or amortized.

4.4 Investments in equity instruments of associated companies

Investments in associated companies are accounted for by using equity basis of accounting, under which the investments in associated companies are initially recognized at cost and the carrying amounts are increased or decreased to recognize the Company's share of profit or loss of the associated companies after the date of acquisition. The Company's share of profit or loss of the associated companies is recognized in the Company's profit or loss. Distributions received from the associated companies reduce the carrying amounts of investments.

Adjustments to the carrying amounts are also made for changes in the Company's proportionate interest in the associated companies arising from changes in the associated companies' equity that have not been recognized in the associated companies' profit or loss. The Company's share of those changes is recognized directly in equity of the Company. Where Company's share of losses of associated companies equals or exceeds its interest in the associates, the Company discontinues recognizing its share of further losses except to the extent that Company has incurred legal or constructive obligation or has made payment on behalf of the associates. If the associates subsequently reports profits, the Company resumes recognizing its share of those profits only after its share of the profit equals the share of losses not recognized.

4.5 Stores, spare parts and loose tools

Stores, spare parts and loose tools are valued at lower of cost and net realizable value. Cost is determined by moving average method less provision for obsolescence. Items considered obsolete are carried at nil value. Items in transit are valued at cost comprising invoice value plus other charges incurred thereon.

4.6 Stock-in-trade

Stock-in-trade is valued at lower of weighted average cost and net realizable value (NRV) except waste, which is valued at NRV.

Net realizable value signifies the selling price in the ordinary course of business less cost of completion and cost necessary to be incurred to effect such sale. Cost of raw materials, packing materials and components represent invoice values plus other charges paid thereon.

Cost in relation to work-in-process and finished goods represents direct cost of raw materials, wages and appropriate manufacturing overheads.

Goods in-transit are valued at cost comprising of invoice value plus other charges accumulated up to the reporting date.

4.7 Trade debts and other receivables

Trade debts are initially recognized at original invoice amount which is the fair value of consideration to be received in future and subsequently measured at cost less provision for doubtful debts. Carrying amounts of trade and other receivables are assessed at each reporting date and a provision is made for doubtful receivables when collection of the amount is no longer probable. Debts considered irrecoverable are written-off.

4.8 Short term investments

Investments which are acquired principally for the purpose of selling in the near term exhibiting short-term profit taking are classified as investments at fair value through profit or loss. All transaction costs are recognised directly in profit and loss account. These are stated at fair value with any resulting gains or losses recognised directly in the profit and loss account.

4.9 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purpose of cash flow statement, cash and cash equivalents comprise of cash-in-hand and balances with banks.

4.10 Staff retirement benefits - gratuity

The Company operates an unfunded gratuity scheme covering for all its permanent employees who have completed the minimum qualification period for entitlement to the gratuity.

Provision is made annually to cover the obligation on the basis of actuarial valuation and charged to income currently. Expense comprising of current service cost and interest cost is recorded in profit and loss account, whereas any re-measurements due to actuarial assumptions are charged to other comprehensive income as and when they arise.

4.11 Trade and other payables

Trade and other payables are stated at their cost which is the fair value of the consideration to be paid in future for goods and services, whether or not billed to the Company.

4.12 Taxation

Income tax expense represents the sum of current tax payable, adjustments, if any, to provision for tax made in previous years arising from assessments framed during the year for such years and deferred tax.

Current

Provision for current taxation is based on taxability of certain income streams of the Company under presumptive / final tax regime at the applicable tax rates and remaining income streams chargeable at current rate of taxation under the normal tax regime after taking into account tax credit and tax rebates available, if any. The charge for current tax includes any adjustment to past years liabilities.

Deferred

Deferred tax is recognized using the balance sheet liability method on all temporary differences between the carrying amounts of assets and liabilities for the financial reporting purposes and the amounts used for taxation purposes.

Deferred tax asset is recognized for all the deductible temporary differences only to the extent that it is probable that future taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized. Deferred tax asset is reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred tax liabilities are recognized for all the taxable temporary differences.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the tax rates that have been enacted or substantively enacted by the reporting date.

4.13 Provisions, contingent assets and contingent liabilities

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

Contingent assets are not recognized and are also not disclosed unless an inflow of economic benefits is probable and contingent liabilities are not recognized and only disclosed unless the probability of an outflow of resources embodying economic benefits is remote.

Notes

4.14 Financial assets and liabilities

Financial assets and financial liabilities are recognised at the time when the Company becomes a party to the contractual provisions of the instrument and derecognized when the Company loses control of contractual rights that comprise the financial assets and in the case of financial liabilities when the obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on derecognition of financial assets and financial liabilities is included in the profit and loss account for the year.

Financial instruments carried on the balance sheet includes deposits, trade debts, loans and advances, accrued mark-up/interest, short-term investments, other receivables, cash and bank balances, long-term finances, liabilities against assets subject to finance lease, trade and other payables, accrued mark-up/interest and short-term borrowings. All financial assets and liabilities are initially measured at cost, which is the fair value of consideration given and received respectively. These financial assets and liabilities are subsequently measured at fair value, amortized cost or cost as the case may be. The particular recognition methods adopted are disclosed in the individual policy statements associated with each item.

4.15 Off-setting of financial assets and liabilities

Financial assets and liabilities are off-set and the net amount is reported in the balance sheet when there is a legally enforceable right to off-set the recognized amounts and there is an intention to settle either on a net basis, or to realize the asset and settle the liability simultaneously.

4.16 Impairment loss

The carrying amounts of the Company's assets are reviewed at each reporting date to identify circumstances indicating occurrence of impairment loss or reversal of provisions for impairment losses. If any indications exist, the recoverable amounts of such assets are estimated and impairment losses or reversals of impairment losses are recognized in the profit and loss account and in case revalued assets are tested for impairment, then impairment loss up to the extent of revaluation surplus shall be recognized in revaluation surplus and remaining loss, if any shall be recognized in profit and loss account. Reversal of impairment loss is restricted to the original cost of the asset.

4.17 Foreign currency translations

Transactions in foreign currencies are translated into Pak Rupee, using the exchange rates prevailing at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated into Pak Rupee at the exchange rates prevailing at the reporting date. All arising exchange gains and losses are recognized in the profit or loss account.

4.18 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the amount of revenue can be measured reliably. Revenue is measured at the fair value of consideration received or receivable on the following basis;

- Local sales are recognised on dispatch of goods to customers and export sales are recognised on bill of lading date.
- Interest income is accrued on a time proportion basis, by reference to the principal outstanding and at the interest rate applicable.
- Dividend income from the investments is recognised, when the Company's right to receive dividend has been established.
- Gain or loss on sale of investments is accounted for, when the commitment (trade date) for sale is made.

4.19 Borrowing cost

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are charged to income in the period in which they are incurred.

4.20 Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year.

4.21 Related party transactions

All transactions with related parties are carried out by the company at arms' length price using the method prescribed under the Companies Act, 2017 (comparable uncontrolled price method) with the exception of loan taken from related parties which is interest / mark-up free.

4.22 Dividend and appropriation to reserves

Dividend distribution to the Company's shareholders and appropriation to reserves are recognized in the period in which these are approved.

4.23 Significant accounting estimates and judgments

The preparation of financial statements in conformity with the approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgement in the process of applying the Company's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Company's financial statements or where judgements were exercised in application of accounting policies are as follows:

- (i) Estimate of useful lives, residual values of property, plant and equipment and recoverable values to account for impairment loss. (note 4.1)
- (ii) Net realizable values of stores, spares and loose tools and stock-in-trade. (note 4.5 & 4.6)
- (iii) Provision for impairment of trade debts. (note 4.7)
- (iv) Provision for staff retirement benefit - gratuity. (note 4.10)
- (v) Provision for taxation. (note 4.12)

Contingencies

Litigation with banks and financial institutions

The below-mentioned litigation with banks / financial institutions are being withdrawn as the assets and charged stocks have been sold by the asset sale committee and proceeds there against have been paid to the secured creditors in manner as provided under the scheme.

15.1 Various financial institutions had filed recovery suits before various Banking Courts in Pakistan for recovery of their alleged long-term and short-term liabilities through attachment and sale of Company's hypothecated / mortgaged / charged stocks and properties. The aggregate amount of these claims was Rs. 3,372.99 million (2021: Rs. 3,372.99 million).

The management was strongly contesting the above mentioned suits on merits as well as cogent factual and legal grounds available to the Company under the law. However after implementation of the scheme the pending litigation against the Company is being withdrawn.

15.2 The Company filed a suit in the Honorable Lahore High Court (LHC) against all banks / financial institutions it was dealing with under Section 9 of the Financial Institutions (Recovery of Finances) Ordinance, 2001 ("the Ordinance") for redemption / release of security, rendition of accounts, recovery of damages, permanent injunction and ancillary reliefs. The LHC vide its interim order dated October 25, 2012, ordered not to disturb the present position of current assets and fixed assets of the Company and no coercive action shall be taken against the Company. The LHC through its order dated September 11, 2013, dismissed the case on legal grounds. The Company filed appeal before Divisional Bench of the LHC against the above-mentioned order. The Divisional Bench passed an order, dated November 27, 2013 that respondent banks will not liquidate the Company's assets and operation of impugned judgement and decree dated September 11, 2013, will remain suspended meanwhile. The appeal filed by the company was accepted vide order dated November 11, 2020, whereby the learned Division Bench directed that "the matter shall be placed before the learned Single Judge exercising powers under Financial Institutions (Recovery of Finances) Ordinance, 2001 to proceed in the suit and to decide the application for leave to defend". The company has withdrawn the suit from the Lahore High Court. Lahore in terms of Scheme.

15.3 MCB Bank Limited (MCB) filed a suit bearing no. B-70/2013 for recovery of Rs. 56.274 million on May 30, 2013 against the Company. The MCB Bank Limited also filed a miscellaneous application under section 16 of the Financial Institutions (Recovery of Finances) Ordinance, 2001, ("the Ordinance"), for the auction of cotton bales vide CMA No. 661/ 2014, which was decided vide order dated February 25, 2014. The order states that the "...sale proceeds may be kept with the Nazir of this Court, who may invest the same in the profit bearing scheme for the benefit of beneficiary till the end of litigation". The PLA filed by the Company has yet not been decided. Askari Bank Limited, and Bank Al Falah Limited filed intervener applications. The Company challenged the order dated February 25, 2014 vide HCAno. 63/ 2014, wherein the Division Bench of the Honorable High Court of Sindh granted a stay order. However, the said high court appeal was dismissed due to non-prosecution for the reason that the counsel for the Company was elevated to the bench and due to this reason no one appeared. The impugned order was challenged before the Honorable Supreme Court of Pakistan and the same was dismissed. However all the cotton bales including mentioned supra have been auctioned on as is where is basis, by the Asset Sale Committee under the Scheme of Arrangement and proceeds thereof have been distributed by the Agent among all creditors of the company in terms of the Scheme.

Litigation with parties other than banks and financial institutions

- 15.9** The Company has not provided for Rs. 3.00 million in respect of infrastructure cess levied by the Government of Sindh. The case was decided against the Company by a single judge of the Honorable High Court of Sindh. The decision was challenged before a Division Bench of same High Court and stay for collection of cess was allowed. The Honorable High Court of Sindh decided the case by declaring that the levy and collection of infrastructure fee prior to December 28, 2006, was illegal and ultra vires and after that it was legal. The Company filed an appeal in the Honorable Supreme Court of Pakistan against the above-mentioned judgement of the Honorable High Court of Sindh. Further, the Government of Sindh also filed appeal against part of judgement decided against them. The above appeals were disposed-off in May 2011, with a joint statement of the parties that, during the pendency of the appeals, another law come into existence which was not subject matter in the appeal, therefore, the decision thereon be first obtained from the High Court before approaching the Honorable Supreme Court of Pakistan with the right to appeal. Accordingly, the petition was filed in the Honorable High Court of Sindh in respect of the above view. During the pendency of this appeal an interim arrangement was agreed whereby bank guarantees furnished for consignments cleared up to December 27, 2006, were returned and bank guarantees were furnished for 50% of the levy for consignment released subsequent to December 27, 2006, while payment was made against the balance amount. As at June 30, 2021, the Company has provided bank guarantees aggregating Rs. 7.216 million(2021: Rs. 7.216 million) in favor of Excise and Taxation Department. The bank guarantees given by various banks on behalf of the Company to various parties are with the respective banks. The petition was disposed off in terms of the consolidated judgment dated June 04, 2021. The Company challenged the impugned order dated June 04, 2021 before the honorable Supreme Court of Pakistan wherein the operation of the impugned judgement of Sindh High Court and recovery the Levey was suspended by the court.
- 15.10** The Deputy Collector of Customs, in pursuance of judgement of the Honorable Supreme Court of Pakistan dated August 29, 2012, had raised the demand of Rs. 134.197 million in respect of customs duty along with penalty thereon under section 83A read with 202A of the Custom Act, 1969, for installing textile machinery. The Company has strong reservations on the method of calculation of above-mentioned amount and is of the view that the method of calculation used by the Custom House Karachi was not only in violation of the Supreme Court Judgment dated August 29, 2012, but was also against the law, principles of natural Justice as well as the clarification given by the Federal Board of Revenue on method of calculation on duties and taxes. The company has also contended that it is a settled principle of law and accordingly FBR has clarified from time to time that surcharge is to be calculated on the principle of calculation of simple mark up. However the Custom House Karachi has calculated surcharge on surcharge, which has already been declared by FBR against the principles of Natural Justice vide its letter dated May 09, 2012. Therefore, the Company approached the Deputy Collector of Customs, Additional Collector of Customs, Collector of Customs and Chief Collector of Customs and stated that total demand as per afore-mentioned judgement works out to Rs. 17.555 million and the same has been paid by the Company to Deputy Collector of Customs on September 20, 2012. The management filed a civil review petition against the above-mentioned judgement of the Court and a bench of three judges of the Supreme Court of Pakistan has issued notices to the respondents. In the mean time, it was also ordered that no coercive measure may be taken against the petitioners. After dismissal of the review petition vide order dated July 13, 2017, against judgment of the Supreme Court of Pakistan dated August 29, 2012, the Collectorate of Customs Appraisalment West, vide their notice dated July 18, 2018, has raised a demand of Rs. 222.650 million.

------	----------------	----------------

The company vide its reply dated July 24, 2018, has submitted that the method of calculation of surcharge was not in accordance with the provisions of section 83-A and 202-A of the Customs Act. Similarly, it was also emphasized that the calculation was made in violation of the Supreme Court Order dated August 29, 2012, by calculating the difference of duty on the basis of difference in exchange rate of Swiss Frank instead of US Dollar and charging surcharge on surcharge is in violation of the Judgment, Laws of Pakistan and aforementioned clarification given by FBR. A detailed hearing on the issue was held on August 07, 2018 at Customs House Karachi, wherein calculations were made on the advise of the Custom House Karachi and the total liability of the company was determined as Rs. 25,873,892/- in addition to the adjudged liability of duties of Rs. 3,272,443/- and penalty of Rs. 1,000,000/- already paid by the company on May 24, 2011. Out of the said amount of Rs. 25,873,892/- the company has paid an amount of Rs. 17,555,474/- on September 20, 2012, therefore the company was directed to pay Rs. 8,318,418/-. Accordingly the company made a representation to the Chief Collector Customs Appraisement-West vide its letter dated August 16, 2018, wherein the basis of calculation by the customs department has again been challenged and paid the sum of Rs. 8,318,418/- with the request that either the representation of the company be decided by the Chief Collector or the matter may be referred to FBR for getting clarification from the Law and Justice division. However despite various written and verbal requests the Custom House Karachi neither sent the matter to FBR for clarification nor consigned the file. Therefore the company vide its representation dated March 30, 2019 sought clarification from chairman, FBR on method of calculation. The matter is still pending at FBR and the clarification on method of calculation is still awaited from FBR.

15.11 The Company has filed a writ petition No. 2979 of 2010, against the levy of regulatory duty on export of yarn of Rs. 5.199 million. The Honorable High Court of Islamabad through its judgement dated July 22, 2013, partially accepted the petition of the Company. The Company has filed Intra Court Appeal No. 957/ 2013 against the impugned judgement and the Honorable High Court of Islamabad through its order dated August 20, 2013, suspended the impugned judgement. The Case is still sub-judice, wherein the stay order passed in favor of the Company vide order dated August 20, 2013, is still intact.

Other contingencies

15.12 Counter guarantees of Rs. 9.067 million (2021: Rs. 9.067 million) were given by the Company to various banks/financial institutions as at June 30, 2022, in respect of guarantees issued in favor of various Government Departments / Institutions.

Commitments

15.13 There is no capital commitment as at June 30, 2022 (2021: Nil).
